Credit Card Information	
Annual Percentage Rate for Purchases	The rate is variable, as described herein. The variable rate, if calculated today (January 1, 1998), based on the current Prime Rate of 8.5%, would be 17.99% APR.
Variable Rate Information for Purchases	Your annual percentage rate (APR) may vary. The rate will be adjusted monthly and will be determined by adding a Margin to the Index. The Index will be the highest Prime Rate published in the "Money Rates" section of *The Wall Street Journal* on the first business day of the month in which the billing cycle begins. The Margin will be 9.49%. However, if your account becomes 30 days past due or is closed because of default, the Margin will be 13.49%.
Grace Period for Repayment of the Balance for Purchases	If you pay your previous balance in full on or before the due date shown on your previous statement, you will have a grace period on purchases of 25 days (from the statement closing date to the payment due date).
Method of Computing the Balance for Purchases	Average Daily Balance (including new purchases)
Annual Fees	None
Minimum Finance Charge	$.50
Transaction Fee for Cash Advances, and Fees for Paying Late or Exceeding the Credit Limit	Transaction Fee for Cash Advances: greater of $4.00 or 4% of the amount of the cash advance. Late Payment Fee: $25.00 each time a payment is late. Over-the-Credit-Limit Fee: $25.00 each month the balance exceeds the credit limit.

The rate for cash transactions will be a variable rate equal to the Prime Rate plus 13.49%. Based on the Prime Rate of 8.5% as of January 1, 1998, the rate for cash advances would be 21.99% APR. However, if your account becomes 30 days past due or is closed because of default, the Margin on cash transactions will be 17.49%. Based on the current Prime Rate, that would be 25.99% APR.

The information about the costs of the credit card described in this application is accurate as of January 1, 1998. This information may have changed after that date. To find out what may have changed, write us at: Associates National Bank (Delaware), P.O. Box , 15687 Wilmington, DE 19850-5687.

Rebate Terms and Conditions: You earn a 3% rebate on net purchases (net purchases are purchases less returns for credit) made during each billing cycle in which the total of payments and credits to your account is less than the Previous Balance on your current statement. Cash transactions, including cash advances and balance transfers, do not qualify for the rebate. The rebate will be calculated each calendar year based on cumulative net purchases posting to your January through December billing statements and will be paid by check once a year before March 15. If your total rebate is $2 or less, it will be forfeited. The maximum rebate you can earn is $20 per billing statement; $100 per calendar year. Your account must remain open and in good standing in order to receive the rebate. If at any time your account becomes delinquent, is closed or is in default you will forfeit all rebates accrued through the billing cycle in which the account was closed, or the delinquency or default occurred. Rebates have no cash value and are not earned until they are redeemed. The terms and conditions of the rebate program may be changed or canceled at any time and for any reason.

New York Residents: Consumer reports may be requested in connection with the processing of the enclosed application and any resulting account or update, renewal, or extension of the account. Upon your request, we will tell you whether or not a consumer report was requested and the names and addresses of any consumer reporting agencies that have provided us with such reports.

Ohio Residents: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy consumers and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance within this law.

Wisconsin Residents: Wisconsin law provides that no provision of any marital property agreement, unilateral statement, or court decree applying to marital property will adversely affect a creditor's interests unless the creditor, prior to the time credit is granted, is furnished with a copy of the agreement, statement, or decree, or has actual knowledge of the adverse provision when the obligation to the creditor is incurred.

ON-TIME PAYMENT OF TUITION & FEES

Fall 1998 tuition and fees are due no later than August 26, 1998

All bills must be paid on time. Any one or a combination of the following three actions will be considered an acceptable timely payment:

1. Full payment of all charges via cash, check, money order, VISA, Master Card, or Discover Card by the due date as printed on your most recent invoice from the Bursar's Office.

2. Signed up and actively participating in the Interest Free Tuition Payment Plan through Academic Management Services (1-800-635-0120).

3. Official notification of financial aid eligibility to cover all or the remaining balance on your account.

Students who do not meet one of the above conditions ***by August 26, 1998*** will have their registration for the Fall 1998 semester canceled. All seats freed up will be made available to paid active students on the class waiting lists. Students who have their registrations canceled but still wish to enroll for Fall 1998 classes, will be assessed late fees and must then rebuild a schedule from the remaining open courses during the Add/Drop Period, September 8 through 15, 1998. For additional information, contact the Bursar's Office at (617) 287-5350.

IMPORTANT PAYMENT INFORMATION

Registering and acceptance into a course(s) incurs a financial obligation for that course(s). Your obligation can only be removed if you withdraw from the University prior to the start of the semester.

Your tuition and fees will be reduced if you:
1) Reduce your yours load during the Add/Drop period or
2) Completely withdraw from the University prior to the sixth week of the semester.

You are financially responsible for any registered course(s) remaining on your schedule as of the end of the Add/Drop period, even though you:
1) Completely withdraw from the University after the sixth week of classes or
2) Withdraw from course(s) after the Add/Drop period or
3) Receive a grade "NA" (see below).

Failure to attend classes does not constitute withdrawal. A withdrawal is an administrative procedure. Students must officially withdraw from a course using the Touch Tone system. If you have not dropped a course by the end of the Add/Drop deadline, not only will you be liable for the tuition but you will also receive one of three grades. One, the grade of "NA" (not attending) will be given if your instructor takes attendance and submits the grade of "NA" to the Office of the Registrar. Two, if the instructor does not submit an "NA" list and you do not drop or withdraw from the course you will receive the grade of "F". Three, the grade of "W" if you withdraw from courses after Add/Drop period via touchtone system by the published deadline.

The Board of Higher Education has recently passed a tuition surcharge policy. Students who earn more than 118% of the required credits needed for graduation will be required to pay at the out-of-state rate for any additional credits. At UMass Boston this surcharge will be assessed to students who register for courses after earning 141 graduation credits.

There are several exceptions to this policy:

a. Students who transferred into UMass Boston are exempt.

b. Transfer credits taken after enrolling at UMass Boston are excluded from the total credits earned.

c. Credits earned through the Division of Continuing Education are excluded from the total.

d. Credits earned for programs requiring more than the normal 120 credits are also excluded.

REFUND POLICY

The University of Massachusetts has two refund policies for tuition, fees and other charges. One applies to students in their first semester of enrollment who are federal Financial aid recipients **(POLICY A)**; the second applies to all other students **(POLICY B).**

POLICY A

Students who cease enrollment after 60 percent of the semester has elapsed and are **Financial aid recipients** (in their first semester of enrollment) receive a refund of the percentage rounded down to the nearest 10 percent of the semester. For example, a student who withdraws 57 percent of the way through the first semester of enrollment receives a refund of 40 percent of tuition fees and other charges.

POLICY B

Students who cease enrollment before the completion of the first 5 weeks of any semester (following their first semester of enrollment) are refunded tuition and fees according to the following schedule.

Date of Withdrawal	Percentage of Full Tuition & Fees Refunded

COLLEGE OF ARTS AND SCIENCES
GRADUATION REQUIREMENTS

The undergraduate curriculum in the College of Arts and Sciences is divided into three parts: preparation in general education, a major field of study, and electives to complement the breadth and depth of a liberal education. Students earning a Bachelor's degree must satisfy the following 7 requirements. For a full description of each requirement please refer to the Undergraduate Catalogue. PLEASE NOTE: students absent from the University for four or more consecutive semesters are subject to all requirements and policies in effect the semester they return.

1. **FRESHMAN WRITING REQUIREMENT**
   CAS students must take a year of Freshman Composition (English 101 and 102). Students who place into English 010 on the English Placement Test must take that course before completing this requirement.

2. **THE CORE/DISTRIBUTION REQUIREMENT** - see the Core/Distribution Worksheet

3. **THE WRITING PROFICIENCY REQUIREMENT** - see the Writing Profiency Requirement page

4. **DIVERSITY REQUIREMENT** - see the Diversity Requirement page

5. **THE TOTAL CREDIT REQUIREMENT**
   CAS students must acquire a minimum of 120 credits to graduate, at least 30 of which must be earned at the University of Massachusetts Boston. Credits earned in ESL courses, other than ESL 100D, do not count toward graduation but count in calculating the semester course load. Beginning in Fall 1998 credits earned in Academic Skills 033 and 034 (math skills) and in English 010 do not count toward graduation but count in calculating the semester course load. Beginning in Spring 1999 credits for Math 110 will not count towards graduation.

6. **THE MAJOR REQUIREMENT**
   CAS students must complete the requirements of one of the majors offered by the college. Major requirements are listed by department in the Undergraduate Catalogue. In most cases transfer students must complete a minimum of five courses in the major at the University of Massachusetts at Boston. Students also have the option of designing an individual major under the supervision of a faculty member. Information on the Individual Major is available from Academic Support Office.

7. **THE GRADE POINT AVERAGE REQUIREMENT**
   Students must achieve a minimum cumulative grade point average of 2.0, calculated only from UMB courses, in order to graduate. See the Undergraduate Catalogue for details. Some major programs require that students maintain a 2.0 in courses taken toward the major. Consult major departments for more information.

8. **BACHELOR OF SCIENCE REQUIREMENTS**
   In addition to the above requirements, students wishing to earn the Bachelor of Science degree in Biology, Chemistry, Geography, Mathematics and Computer Science, Physics, or Psychology must complete six semester courses in science or math/c.s. outside the major discipline. Specific BS degree requirements for each major are listed in the Undergraduate Catalogue under the major department.

WAIVERS

Freshman Writing Requirement: The Freshman Writing Requirement may be waived. Students should inquire at the Department of English.

Foreign Language Courses: Students who present evidence through placement scores or transcripts of intermediate proficiency (equivalent to the fourth semester of college work) in a foreign language will receive a waiver for two Foreign Language courses toward the distribution requirement. Native speakers of languages other than English are encouraged to apply for this waiver. Students granted a waiver in a Foreign Language need take only ten courses toward the distribution requirement. Students receiving a BS degree need only show evidence of elementary proficiency in order to waive these courses.

Math Courses: Students who present evidence through placement scores or transcripts of work in Mathematics equivalent to college calculus (Math 141) will receive a waiver for two Mathematics courses toward the distribution requirement. Students granted a waiver in Mathematics need take only 10 courses toward the distribution requirement.

Students who receive waivers in both Foreign Language and Mathematics need take only 8 courses in the distribution requirement.

There are no waivers for the Writing Proficiency Requirement.

COURSE LOAD POLICY

Students may enroll for no more than 16 credits. After the first semester, however, students may take additional course credits under the following conditions:

1. The student's overall grade point average is 3.0 (or above) or the grade point average for the previous full-time semester is 3.5 or above.

2. Written permission is secured from the Associate/ Assistant Dean for Academic Studies.

College of Arts and Sciences
Core/Distribution Worksheet

To assure that CAS students develop a broad familiarity with the range of human knowledge, they are required to take 12 courses distributed among the following broadly defined areas, with the option of omitting one area.

The Arts (A)
Historical and Cultural Studies (H)
Philosophical and Humanistic Studies (P)
Social and Behavioral Sciences (S)
Natural Sciences (N)
Mathematics and Computer Sciences (M)
Foreign Languages (F)

A. Core requirement

Core courses are designated by a C in the course number (e.g., Philosophy C108) and are commonly called C courses. Students matriculating with fewer than 30 credits must include 5 C Core courses among the 12 courses in the requirement, 3 at the 100 level and 2 at the 200 level. NO MORE THAN 5 C COURSES AT THE APPROPRIATE LEVELS MAY COUNT TOWARD GRADUATION CREDIT. C courses are limited in enrollment in order to provide more intensive instruction in academic skills.

B. Distribution requirement

Most 100 level and 200 level CAS courses are assigned to one of the seven Distribution areas and count towards fulfilling this requirement. Students entering with 30 or more transfer credits are not required to take C courses as part of the 12 course Distribution. If they include C courses, they are subject to the limit of 3 at the 100 level and 2 at the 200 level for graduation credit.

The following worksheet will guide you in selecting courses for the Core/Distribution requirement. The numerical pattern of distribution will resemble one of the following, although not necessarily that order.

Seven Area Selection	Six Area Selection
2222211	222222
3222111	322221

AREAS	(A) Arts	(H) Hist/Cult	(P) Phil/Hum	(S) Soc/Behav	(N) Nat Sci	(M) Math/CS	(F) For. Lang.
C100							
C 100							
C 100							
C 200							
C 200							
DISTRIBUTION							

Each distribution area includes courses from many different departments; departments may offer courses in several distribution areas. Check department course offerings for specific area designations.

THE WRITING PROFICIENCY REQUIREMENT

This requirement, which applies to all students in the College of Arts and Sciences, the College of Nursing, and the Program in Human Performance and Fitness, may be satisfied either by passing a proficiency examination or by submitting a portfolio.

The Writing Proficiency Examination: This examination requires students to write an essay of 7-10 paragraphs in answer to a question based on a set of readings. A passing essay should demonstrate the student's thorough understanding of the readings, as well as an ability to analyze and synthesize the material, use evidence appropriately, form concepts, draw inferences, and construct a well-organized response to the question. The examination is offered two times a year, in January and June. A student should sign up for the test and pick up the assigned readings in the Core Curriculum Office (M/4/603) **five-six** weeks in advance of the scheduled date of the exam. Dates and deadlines for registration and for the upcoming January and June exams are printed below.

Note: The Writing Proficiency Examination is **not** the same as the English Placement Test, which students take on entrance to the College.

The Portfolio: The Portfolio consists of four papers, each at least five typewritten pages in length. Three of the papers should be expository essays, written for different courses and based on multiple reading materials. Each of these submissions needs to be certified as the student's own work by the instructor in the course. Certification forms are available at the Core Curriculum Office. The fourth paper is a new one, written on a reading set and question distributed by the Core Curriculum Office. Portfolios may be submitted at any of the scheduled exam times in January and June as well as in October and March. Readings and the essay question for the Portfolio are available five-six weeks in advance of the due date (see below).

Timing of the Obligation to Pass this Requirement: Students should have met the Writing Proficiency Requirement by the time they have completed 68 credits. Students transferring in with more than 60 credits must satisfy this requirement by the end of their first semester after matriculation. Students who have completed 68 credits and have not taken or passed the requirement must complete it at the next scheduled opportunity.

Students with 90 or more credits who have not passed the Writing Proficiency Requirement are subject to suspension and cannot continue to make normal progress toward the degree until this requirement has been met. To avoid suspension, students with 90 or more credits should come to the Core Curriculum Office (M/4/603) or phone (287-6330) to schedule a conference with a writing specialist before the beginning of the next semester. The student should bring to the conference a transcript, plus course papers or other examples of his/her writing. After an assessment of the student's problems in passing the requirement to date, a Learning Contract will be drawn up detailing which courses he/she may take during the semester and when he/she will pass the requirement. The Contract usually involves a reduction of the student's course load and registration in a writing course. Signed by both the student and the writing specialist, the Contract serves as a formal agreement between the student and the University about the actions the student will take to complete the requirement.

Any student who does not fulfill the terms of the Learning Contract (e.g., by failing to reduce his/her course load) will be suspended during the Contract semester. Students who have not completed the Writing Proficiency Requirement by the end of the Contract semester will be suspended until this requirement is met.

If a student with 90 or more credits misses the deadline for scheduling an appointment or does not keep an appointment for a conference with a writing specialist, he/she may file a formal appeal to the Core Curriculum Director, explaining in detail why he/she has been unable to comply with the College's standard procedure.

For further information on policies and procedures regarding the Writing Proficiency Requirement consult the University's Undergraduate Catalog or the Core Curriculum Office.

The Core Curriculum Office offers two writing courses to help students complete this requirement. **Academic Skills 044** focuses on helping students working to pass the examination or finish a portfolio by giving them practice in the kind of writing required for the independent essay. **Interdisciplinary 299** (Inter-D 299) is an intensive reading and writing course designed for students who have had repeated difficulty in completing the Writing Proficiency Requirement. The aim of this course is to help students compose a set of papers to be submitted as part of a Writing Proficiency Portfolio. For further information about these courses, consult the Undergraduate Catalog or the Core Curriculum Program (M/4/603).

2. 120 Credits (40 classes @ 3 credits each) is required for graduation. A minimum of thirty (30) credits must be done in residence.
3. The CM curriculum is divided into five categories: Liberal Arts, Foundation, Core, Concentration, and Elective coursework.

UNIVERSITY DIVERSITY REQUIREMENT

All Undergraduates at Umass Boston are required to take courses that address human diversity as a major theme. UMass Boston believes that the explicit study of the diversity of the world's people's is an essential component of an undergraduate education.

Attention to cultural and social groups previously marginalized or ignored in the curriculum helps students acquire the analytical tools and knowledge to understand human diversity in our complex and changing world, and strengthens their academic preparation by exposing them to this rich body of scholarship from a wide range of disciplines.

UMass Boston defines diversity broadly to include: race, gender, culture (national origin, ethnicity, religion), social class, age, sexual orientation, and disability.

The requirement was implemented in two steps. It applied to all first-year students who were admitted to Umass Boston in Fall 1992 or Spring 1993 without any transfer credits. It applies to all students, including transfer students, admitted for Fall 1993 and after.

COLLEGE OF MANAGEMENT DIVERSITY REQUIREMENT

All students in the College of Management are required to complete both a Diversity and an International Requirement. In many cases, the course (or courses) used to complete these requirements may also be used to fulfill a Liberal Arts or an Elective Requirement. **Please visit the CM Undergraduate Program Office (M-5-603) for a list of approved courses.**

COLLEGE OF NURSING DIVERSITY REQUIREMENT

The requirement is met through required courses in the College of Nursing.

HUMAN PERFORMANCE & FITNESS DIVERSITY REQUIREMENT

HP&F majors are required to take two identified diversity courses. HPF 220 counts as one diversity course which is required of all majors. Students may meet the second diversity requirement by either taking HPF 180 or one of the courses in CAS designated as a diversity course.

COLLEGE OF PUBLIC AND COMMUNITY SERVICE DIVERSITY REQUIREMENT

For information on the CPCS diversity requirement, see Academic Affairs in CPCS.

COLLEGE OF ARTS AND SCIENCES DIVERSITY REQUIREMENT

The CAS diversity requirement applies to all students in the College. The College requirement consists of two courses, one with a focus on diversity within the US, and one with an international focus. Students who enter UMass Boston with fewer than 60 credits are required to take one course from each of the two categories. Students entering with 60 credits or more may take one course from either of the two categories.

COLLEGE FINANCING 101

Each year thousands of college students are forced to drop out. The problem is not with their academic standing, it is their financial status. They can't pass or CLEP out of "College Financing 101". The Massachusetts Army National Guard has over $21,000 available to each student who qualifies. Through programs such as the Montgomery G.I. Bill and 100% Tuition Waiver, students can concentrate on grades, not bills. The Tuition Waiver is good at 28 participating state colleges, community colleges and universities.

All it takes is about two days a month and two weeks a year. Serving your country and community today can help build a better tomorrow.

GRADUATE ADMISSIONS AND GRADUATE REGISTRAR'S OFFICE

GRADUATE STUDENT REGISTRATION INFORMATION

Continuing Matriculated Students

All graduate students who are eligible to register for the Fall 1998 semester will receive an Invitation to Register in the mail along with a telephone registration worksheet. If you do not receive this information in the mail by the third week of April, you should go to the Graduate Admissions and Graduate Registrar's Office for information. **The deadline to register in order to avoid the $50.00 late registration fee is May 29, 1998. You may add/drop through September 15.**

New Matriculated Students

You will receive information from your graduate program concerning registration, or you may contact your Graduate Program Director. Please keep in mind that the last day to add/drop is **September 15, 1998.**

ON-TIME PAYMENT OF TUITION

Fall 1998 tuition and fees due no later than August 26, 1998

Fall bills must be paid on time. Any one or a combination of the following three actions will be considered an acceptable timely payment.

1. Full payment of all charges via cash, check, money order, Visa, Mastercard or Discover Card by the due date as printed on your most recent invoice from the Bursar's Office.

2. Signed up and actively participating in the Interest Free Tuition Payment Plan through Academic Management Services (1-800-635-0120).

3. Official notification of financial aid eligibility to cover all or the remaining balance on your account.

For the Fall 1998 semester, students who do not meet one of the above conditions **by August 26, 1998,** will have their registration for the Fall 1998 semester **canceled.** All seats freed up will be made available to paid active students on the class waiting lists. Students who have their registrations canceled, but still wish to enroll for Fall 1998 classes, will be **assessed late fees** and must then **rebuild a schedule** from the remaining open courses during the Add/Drop period, after paying accumulated fees and making a deposit with the Bursar's Office which is equivalent to a 3 credit course.

For additional information, contact the Bursar's Office at (617)287-5350.

Non-Matriculated Students

Registration varies by program. For further information please contact the Office of Admissions Information Services at 287-6000, or your program of interest.

In order to register for a course, you must fill out a Graduate Non-Degree Registration Form and have it signed by the Graduate Program Director for the program in which the course is offered, or by the professor who is teaching the course, if permitted. The form must be submitted to the Office of Graduate Admissions and Graduate Registrar with full payment to complete your registration. The deadline for submitting the registration form is Tuesday, September 15, 1998 at 7:15 p.m.

Please note: The Graduate Admissions and Graduate Registrar's Office can accept payment made by Mastercard, Visa, Discover Card, check or money order. Cash must be paid at the Bursar's Office and the receipt brought to the Graduate Admissions and Graduate Registrar's Office.

Important Reminders

Classes begin Tuesday, September 8, 1998.

You are financially responsible for any course for which you register unless the course is dropped by September 15, 1998. If you plan to drop a course, please do so early so someone else can be given your space.

FAILURE TO ATTEND CLASS WITHOUT OFFICIALLY DROPPING DOES NOT REMOVE YOUR FINANCIAL OBLIGATION.

If you owe money for the Spring 1998 semester, or have not turned in the Student Health History and Immunization Report, you will not be allowed to register unless your obligation is cleared by Tuesday, September 15, 1998. If you owe money for a previous semester, please contact the Graduate Admissions and Graduate Registrar's Office when your obligation is cleared so we can inform you how to get reinstated. However, keep in mind that readmission must be processed **30** days before classes begin.

Continuing matriculated students who were not enrolled in courses during the Spring semester 1998, will not be allowed to register if the program fee was not paid by March 12, 1998. Students who did not pay the program fee by March 12, will be required to submit a readmission form with the approval signature of your Graduate Program Director and the required fees by August 10, 1998.

Evening Courses Off-Campus
Saturday Courses On-Campus

The University courses which appear on the following pages are offered during the evening at off-campus locations and on Saturday at the Harbor Campus. Most classes meet once a week for two and one-half hours. These courses are open to all UMass Boston students and are applicable to bachelor's degree requirements. Students (including financial aid recipients) are free to combine day, evening on-campus, evening off-campus, and Saturday classes during any semester.

To Register

To register for an off-campus or Saturday course, *you must do so through the Division of Continuing Education.* There are four registration methods available: telephone, fax, mail, and walk-in. For more information visit the Continuing Education Registration Center in Wheatley 2/211. (Monday through Thursday 8:30am-6:00pm, Friday 9:00am-4:00pm) or call 617 287-7900. (Please note that Touch-Tone registration is not yet available for Continuing Education classes.) Continuing Education course fees are computed at the rate of $140 per undergraduate credit and $155 per graduate credit and are separate from on-campus tuition charges. Students registering for off-campus or Saturday classes also pay $35 in registration and service fees but do not pay health, athletics, or activities fees. Full payment is required at the time of registration. The Division of Continuing Education accepts personal checks, MasterCard, VISA, and Discover for the payment of off-campus and Saturday course fees.

CREDIT CARD INFORMATION

Annual Percentage Rate for Purchases	The rate is variable , as described herein. The variable rate, if calculated today (February 12, 1998), based on the current Prime Rate of 8.5% would be 20.4% APR. However, for the first six months after your account is opened, the introductory rate on this account will be a fixed rate of 9.9% APR.
Variable-Rate Information	Your annual percentage rate (APR) may vary. The rate will be adjusted monthly and will be determined by adding a Margin to an Index. The Index will be the highest Prime Rate published in the "Money Rates" section of *The Wall Street Journal* on the first business day of the month in which the billing cycle begins. The Margin will be 11.9%. However, if your account becomes 30 days past due or is closed because of a default, the Margin on the entire balance will be 15.9%.
Grace Period for Repayment of the Balance for Purchases	If you pay your previous balance in full on or before the due date shown on your previous statement, you will have a grace period on purchases of 25 days (from the statement closing date to the payment due date)
Method of Computing the Balance for Purchases	Average Daily Balance (including new purchases)
Annual Fees	None
Minimum Finance Charge	50¢
Transaction Fee for Cash Advances, and Fees for Paying Late or Exceeding the Credit Limit	Transaction fee for Cash Advances. Greater of $3.00 or 3% of the amount of the cash advance. Late Payment Fee: $25.00 each time a payment is late. Over-the-Credit-Limit Fee: $25.00 each month balance exceeds credit limit.

ALL TERMS ARE SUBJECT TO CHANGE.

The information about the costs of the credit card described in this application is accurate as of February 12, 1998. This information may have changed after that date. To find out what may have changed, write us at: Associates National Bank (Delaware), P.O. Box 15687, Wilmington, DE 19850-5687.

New York Residents: Consumer reports may be requested in connection with the processing of the enclosed application and any resulting account or update, renewal or extension of the account. Upon your request, we will tell you whether or not a consumer report was requested and the names and addresses of any consumer reporting agencies that have provided us with such reports.

Ohio Residents: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy consumers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law.

Wisconsin Residents: Wisconsin law provides that no provision of any marital property agreement, unilateral statement, or court decree applying to marital property will adversely affect a creditor's interests, unless the creditor, prior to the time credit is granted, is furnished with a copy of the agreement, statement or decree, or has actual knowledge of the adverse provision when the obligation to the creditor is incurred.

***Purchase rebate**: You can earn a 10% rebate on net new purchases (net new purchases are purchases less returns for credit) made during each billing cycle in which you carry a balance from statement to statement (i.e. the total of payments and credits to your account is less than the Previous Balance on your current statement). Your account must remain open and in good standing in order to earn or redeem the rebate. If at any time your account becomes delinquent, is closed, or is in default, you will forfeit all rebates accrued through the billing cycle in which the account was closed, or delinquency or default occurred. The net new purchase rebate will be paid monthly as a credit to your GTE Prepaid℠ Phone Card calling account. The maximum rebate you can earn is $50 per billing statement; $300 per calendar year. The amount of the rebate will be included in your monthly statements. Cash transactions, including cash advances and balance transfers, do not qualify for the rebate. Rebates have no cash value and are not earned until they are redeemed. The terms and conditions of the rebate program may be changed or canceled at any time and for any reason.
